FILE No. 214 of 1895

SERIAL No. 1—10

The Dy Comr of Shimoga proposed that the old Taluk Kacheri building at Sorab, which had been made over to the D. P for use as a mess & kitchen and was not required for such use, might be ordered to be sold by public auction. But he was informed in reply that if the building was not required by them, it should be re-transferred either to the P. W. D or Rev Department and that the Board could not be permitted to sell it and appropriate the sale proceeds.

It is of very inferior con-

Sir,

With reference to your docket No 5888/R2013 (6)
of the 25th December 1896 enquiring how the old Taluk Cutcherry at Sorab may be utilized, I beg to submit as follows:—

2. I saw the building this morning. It is an old fashioned building. It is close to the new Taluk Cutcherry and close also to Ranganatha Devaru temple and the Dandavati river. It is, therefore, very convenient for travellers. In fact it is up to now used as a Musafirkhana. Evidently owing to its suitability for a Musafirkhana, it appears to have been given over to the District Fund Board to be utilized as such. The new Musafirkhana is at the opposite end of the town and is surrounded by the

houses
